Traveling advice –

We need deliberately to call to mind the joys of our journey. Perhaps we should try to write down the blessings of one day. We might begin; we could never end; there are not pens or paper enough in all the world.

Love Made Flesh

The whole concept of God taking human shape had never made much sense to me. That was because, I realized one wonderful day, it was so simple. For people with bodies, important things like love have to be embodied. That's all. God had to be embodied, or else people with bodies would never in a trillion years understand about love.

Our Approachable Lord

There is not a hint of one person who was afraid to draw near [Jesus]. There were those who mocked him. There were those who were envious of him. There were those who misunderstood him. There were those who revered him. But there was not one person who considered him too holy, too divine or too celestial to touch. There was not one person who was reluctant to approach him for fear of being rejected. Remember that.
